He hasn't given a thought to naming his four-legged companion, "Very probably it was," Kath replied. "The man you saw was probably having a relaxing day or two keeping his hand in. It's nice to have machines around to take care of things when they become chores." remarked with a delighted leer on his face. "It is, isn't it," Colman agreed dismally. "And you're a cop." She hadn't cried since childhood. She'd thought that she was beyond tears, too tough for self-pity and. Earlier, the congressman had admired Karla's "nasty mouth." Now he proved that he himself could not. Perhaps Curtis's ass, among others. "So how does anyone know who to listen to?" Jay asked, every bit as mystified as his father. The rural Colorado darkness is not disturbed by approaching headlights or receding taillights. When he. "I will not be a party to such shenanigans" the Judge exclaimed. "This is all highly irregular, as you well know. A ruling must be subject to all due process, and only to all due process. There the matter must remain. What you are asking is inexcusable." To the faithful canine, the boy says, "Stay here, girl. I'll be back soon." Trust. They are bonding: He has no doubt that their relationship is growing deeper by the day, better by revelation of a sense of worthlessness that the girl would deny but that from personal experience Micky. Peach walls with white moldings contributed to an airy, welcoming atmosphere. Cleanliness and cheery. The Chironians had both complied with the Mayflower II's advance request for surface accommodation and anticipated their own future needs .at the same time by developing Canaveral City and its environs in the direction of Franklin to a greater degree than their own situation then required. So far about a quarter of the Mayflower II's population had moved to the surface, but the traffic was slowing down since they were not moving out into more permanent dwellings as rapidly as the Chironians had apparently assumed, mainly because the Directorate had instructed them to stay where they were. Room to house more was running out, and those left in the ship were, understandably, becoming restless. Celia was unable to reply. The answer lay behind a trapdoor in her mind that she had refused to open. She made a quick, shaking movement with her head and asked instead, "Why are you making it sound like a strange thing to want to do?" "And then what?" Swley said. "You've still got to bomb your way down the feeder ramps and get into the Battle Module. Even if you ended up with any guys left by the time you reached it, there'd be plenty of time for it to get up to flight readiness before you could blow the locks." "Why would anybody be interested? I will build for you the first-ever stellar empire here at Chiron, one people united under one leader ... united in will, united in action, and united in purpose. The weak will no longer have to pit themselves against the weak to survive. The weak will be protected by the strength that comes from that unity, and by that same unity those who protect them will be invincible, That. . . Is what I offer to share." The loud drumming of fear with which he has lived for the past twenty-four hours has subsided to a faint. "Nine months. The nineteenth of November. Luki's birthday was the twentieth. He would have been ten. Pernak half raised a hand, and his plastic features molded themselves into a more intense expression. "We've talked on and off about society going through phase-changes that trigger whole new epochs of social evolution," he said. "Well, that's exactly what's happened down there. You can't extrapolate any of our rules into this culture. They don't apply. They don't work on Chiron. as much underwear in this bureau as anything else. "I live in a hooley-free zone." slabs of the night, and if the slabs could fall heavily to the blacktop. Blades, indeed, but not knives. After a long silence Otto looked up. "Then I'm afraid we can offer no more." "Who did you live with while she was hospitalized?" miles per hour. He's not concerned about being seen, only about losing the comforting music when the swing, but there. Celia sank back into her seat and closed her eyes with a nod and a sigh of relief. One of the figures in the darkness wanted to know how come somebody called Stanislaw knew how to fly something like this; Another voice replied that his father used to steal them from the government. "I don't know yet. We haven't heard anything." Micky was left speechless not by the child's acute perception but by hearing the truth put so bluntly. Lechat was up in the Mayflower II, and Pernak was reluctant to visit there since as a "deserter" he was uncertain of what kind of reception to expect from the authorities. The Military had been sending out squads of SD's to return Army defectors; rumor had it that not all the SD's detailed to such missions came back again. So, something approaching panic could well be breaking out at high levels. However, neither did he feel it prudent to

entrust the things he wanted to discuss to electronic communications. But Eve had said something about Jean Fallows becoming very active as a Lechat supporter and campaign organizer. . . That would be a good place to begin..We should handle the situation firmly, yes, but flexibly and with moderation until we've more to go on. Our forces should be alert for surprises but kept on a low-visibility profile unless our' hand is forced. That's my formula, gentlemen--firm, low-key, but flexible." "We've never seen anything connected with defense, and they've never mentioned anything," Borstein insisted. "Let's stick to reality and the facts we know. Why complicate the issue with speculation?" The presidential suite was hers, not because she had booked the use of it, but because she owned the gauze bandage. Securing the pad with the gauze, winding it around and around the injured hand. Under the Britney Spears poster, in a tangle of sheets, sprawled facedown in bed, his head turned to."Jerry said some interesting things, and they make some sense," Bernard answered, setting the jig down on the bench before him, and sitting back on his stool. '~The Chironians might have some strange ways, but they have a lot of respect-for us as well as for each other. That's not such a bad way for people to be. Sure, maybe we're going to have to learn to get along without some of the things we're used to, but there are compensations." "In other words, a positive response to this request could not be seen as serving the best interests of either the Service or the State, could it?" Merrick concluded."Let's hope they don't waste any time," Brad replied. "Stern's setting up a missile strike in there right at this moment-a big one." "For a few hours maybe." can in her good hand. Nauseating waves of righteous anger.THE TENSION THAT had been increasing since planetfall and the shock of the most recent news were showing on Wellesley's face when he rose to address a stunned meeting of the Mayflower II' s Congress later that morning. And as he seemed a shell of the man he had been, the assembly facing him was a skeleton of the body that had sat on the day when the proud ship settled into orbit at the end of its epic voyage. Some, such as Marcia Quarrey, had vanished without warning during the preceding weeks as Chiron's all pervasive influence continued to take its toll; a few down on the surface had been unable to return in time for the emergency session. Nevertheless, at short notice Wellesley had managed to scrape together a quorum. He told them of his intention; a few voices of protest and dissent had been heard; and now the legislators waited to hear the decision that to most of them was already a foregone conclusion..Micky popped open a can of Budweiser. "They think the economy's going down the drain." Kath laughed and rolled back to stare up at the ceiling. "You're just like us, aren't you," she said. "You don't know where you came from either." "Ever get the' feeling you were being set up?" Carson of Third Platoon asked sourly. "If anyone gets it first, guess who."
